

#BENEFITSAWARE

DIDN'T  
KNOW  
I COULD  
GET  
HELP

Nobody wants to be on benefits. I've always been really good with money. One day I got sick and had to go into hospital. I nearly died. I didn't want to ask for help. That's why Turn2us is so good, you can just go online and work it out for yourself.

Check what help you could get at  
[turn2us.org.uk/benefitsaware](https://turn2us.org.uk/benefitsaware)
