YOU CAN HELP...

**WE CAN
FIGHT
POVERTY
TOGETHER!**

There are many reasons why people experience financial hardship. Bereavement, job loss, family breakdown, ill health, disability or simply having to care for someone else – often it's an unexpected event that can have the greatest impact. We want to work with partner organisations so that together we can make a real difference.

WHO WE ARE

Turn2us is a national charity that helps people in financial hardship to gain access to welfare benefits, charitable grants and support services – online, by phone and face to face, through partner organisations and our volunteers.

ONLINE HELP

Our easy to use online tools and information are designed to help anyone in financial need in the UK to find help they may be eligible for.

THE ELIZABETH FINN FUND

Our direct grants support people from a range of professional backgrounds who are struggling financially. As it has for over a century, our Elizabeth Finn Fund awards grants that will make a difference to an individual or family's life and improve their living conditions.

HOW YOU CAN HELP

You can help support our work in many different ways... by contributing financially, giving up your time or telling people about the help we offer... Thank you!

FUNDRAISE

We have a number of groups across the country who run fundraising events on our behalf. If you would like to run an event in your area we can help!

GET ACTIVE

Are you looking for a new challenge? We have places in top sporting events like the London Marathon and RideLondon-Surrey 100 cycle ride along with challenges and treks across the UK and overseas. Whether you have an event in mind or are looking for inspiration, contact us today to make it a reality!

STUDENTS

Are you looking to develop your C.V. skills or events experience? We work with students, colleges and universities across the country and can help you get the hands on experience that will benefit you when it comes to applying for an events or fundraising job!

VOLUNTEER

You can apply to become one of our Visitors and provide face-to-face support to individuals receiving grants or alternatively, register an interest in finding out about new opportunities we are currently developing. These include roles such as our e-Campaigner, Community Signposter or simply helping people complete our online Benefits Calculator.
