

# Create your own bunting!

- 1** Cut out each triangle
- 2** Using a holepunch, make holes in the corners of each flag (along the shorter side)
- 3** Use string or ribbon, to thread through the holes and create your bunting
- 4** Hang your bright orange bunting from windows, on desks - anywhere you can (safely!) - for everyone to see

### Decoration ideas

Use orange paints, pens or pencils to create patterns:
